Homework Sheet

Monday 16th November – Friday 20th November 2026

Reading – Books will be sent home from next week.

Please ensure your child reads at least **3 times a week** for at least **15 minutes** and that this is recorded in their reading record. **Reading records** must be handed in on **Friday** and new books will be sent home on **Friday**. Your child we be sent home with a levelled reading book and a book of their choice in order to promote a love of reading.

Spellings

league,	argue
rogue,	tongue
vague,	dialogue
fatigue,	
plague,	

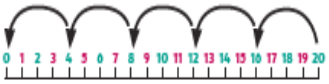
Miss Dursun and Mrs C's Groups:

both	hold
old	told
cold	Christmas
gold	

Times Tables

This week we would like you to complete these 4 times table's challenges. You can also use Times Table Rockstars.

Write a division calculation to match the number line.



☐ ÷ ☐ = ☐

Complete the part-whole model.

24 ÷ 6 = ☐

Solve this problem.

Cupcakes are sold in boxes of 4.

If you buy 12 boxes, how many cupcakes are there in total?

☐ cupcakes

Match the repeated addition calculations to the matching multiplication calculations.

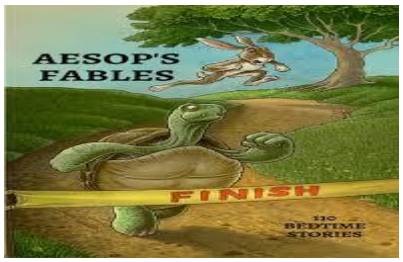
4 × 2	4 + 4 + 4 + 4 + 4 + 4 + 4 + 4
7 × 4	6 + 6 + 6 + 6
6 × 4	4 + 4 + 4
4 × 3	4 + 4

Autumn 2 Half-Term Project

For the remainder of the term, we would like the children to be a little more creative. We would like them to use items they have at home to create a home fit for a Prehistoric man or women.

The house must come from one of the three Prehistoric Periods (Stone, Bronze & Iron) and have some of the features we they have learnt about in school.

This Week's Learning

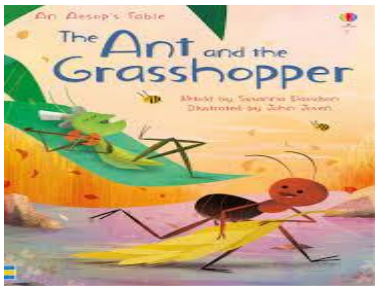


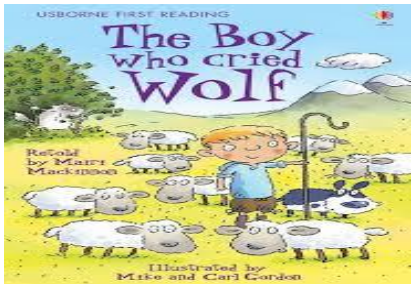
English

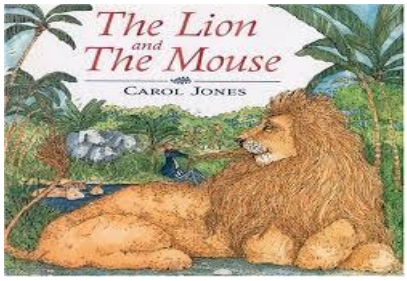
In English, we have been reading fables. Fables are stories that teach the reader a lesson and usually contain animals that act like humans.

Your challenge this week is to read a fable at home or listen to one online. Be prepared to talk about your fable! Write the fable you read here:

_____







Maths

This week in maths, we have been subtracting using the column method. We have been 'exchanging' a 10 for ten ones to help us complete the calculation. Have a go at the questions below!

451 − 218 =	840 − 525 =	472 − 238 =
690 − 526 =	726 − 419 =	427 − 233 =

Topic

This week we have been learning about Light, in Science. We have discovered that shadow are caused when light is blocked by an opaque object and that a shadow is larger when an object is closer to the light source. We have also learnt the scientific terms 'opaque', 'translucent' and 'transparent' and we understand their meanings.

All the best,

from Year 3 – Miss Finch and Ms Walker
