Accommodation

Our tented village is called 'Muntjac'.

Children sleep in large bell tents, each accommodating up to 10, with separate staff tent adjacent.

Clustered around a yurt for a central base, they are excellent for building a real sense of adventure out in the woods.

Toilets are situated in a toilet/shower block.

Activities

Children will be split into 3 groups through the day, each group will be with a member of staff from Burleigh and will complete the same activities by the end.

Postman's Walk

Pupils start with walking up our balance beam to reach the first vertical climb, once up at the next level, a balancing act along a wire with a rope support, followed with another vertical climb and the final walk to the finish!

Nightline

Students will be blindfolded and sent off all together, relying on each other and their other senses to get them through the course. Communication and teamwork are vital for this activity.

Activities

Scenario SOS

Pupils will learn some basic first aid skills before heading off for a 'walk in the woods'. Students' knowledge and skills will be put to the test, can they work together and cope under the pressure?

Laser Tag

Students will hide amongst the trees and bracken for a laser tag battle. Students are equipped with their own laser gun and head mounted sensors.

Thursday evening

Camp fire for the whole group, with a sweet treat!

Food

The emphasis at Cuffley is on providing well-sourced, healthy and nutritious food.

There is a purpose built canteen and all dietary requirements can be catered for.

Children will not need to bring any food
All food is provided by Cuffley camp.

Kit List

We stress that it is **not** necessary to buy all new and expensive kit to go on the camp. If you have appropriate footwear and some warm clothes you will be fine! For one of the activities, the children will need to have their arms and legs covered.

Children will also need a warm sleeping bag, sleeping mat and a pillow. They may want to bring another blanket as it can be cold at night. Teddies are very welcome!

Weather dependent: wellington boots, warm hat, gloves, sun cream, warm night clothes and socks.

Children do need to be able to carry their own luggage and should have a refillable water bottle.

Dos and Don'ts

We stress that children must not bring a mobile phone with them, or any other electrical device.

Spray deodorants are not allowed in camp.

Children must not bring any sweets or snacks as doing so encourages rodents!

Timings

Arrive at school at the usual time, children **do not** need to be in their school uniform.

Come down the Junior driveway.

Leave luggage in the library and go up the corridor to class.

Coach will collect the group at 10.00am on Thursday 26th June.

Group returns on Friday 27th June and will be ready to be collected at 4.00pm.

What next?

Children hand in completed tent list before they go home tonight.

Please return consent form by **Thursday 12th June**.

Medicines must be handed in **by Tuesday 24th June**, these must have been specified on the consent form.

Staff will endeavour to post some photos on the school website (this is dependent on the strength of the internet).
