Half Term Project

Our geography topic this half term is **Europe**. We would like you to use your art skills and create a flag from a European country. You could draw it and colour it in, paint it, or create a collage! We looked forward to receiving different of European Flags! Please return your project by Monday 20th October.

This Week's Learning

English

In English this week, we continued *The King who banned the dark*. We looked at all the different features we might find in persuasive writing and then used these features to have a debate.

Weekly Challenge: Write a persuasive speech for your teacher about a change you would like in the classroom. You must have **three reasons** for this change. Remember all the different features that should be in it (conjunctions, sentences starters, facts, alliteration)

Maths

In maths this week, we have been looking at our times table. We have counted in multiples of 25, looking at any patterns to help us and then we have spotted other patterns in other times tables. The 9 times table has loads!!

Challenge: Write out your 9 times table and tell your adults at home about the different things that you notice. **Remember to look at the one's column and then the tens.**

I notice that:

- 1) _____

- 2) _____

- 3) _____

- 4) _____

Foundation Subject:

This week, we have done Art. We have studied the artist Faith Ringgold who creates textile artwork. We then learnt about Mandalas, weaving and created our own loom to weave.

It has been great fun but a little tricky!

Have a lovely weekend,

Year 4 Team
