**Foundation Subject**

**Geography:** This week, we have been looking at South America! We have been looking at the different countries in South America, specifically focusing on the position of each country in relation to each other.

**Challenge:** Tell an adult some facts you have learnt about South America.

**Half Term Project**

Our Science last half term was based around space. We know how much the children enjoyed this topic, so for the half termly project we would like you to create a model of the planets in order. This can be made, painted, sketched, 3D, drawn or baked. Please hand this in by the week beginning the **8<sup>th</sup> December 2025**. We look forward to seeing your creations!

Have a lovely weekend!

Mrs Middleton and Miss Mac 😊
