Foundation Subject

Geography: This week, we have been looking at South America! We have been looking at two cities in South America, Buenos Aires and Lima. We have created our own reports about them.

Challenge: Your challenge is to make a travel brochure on your favourite South American city. Make sure to add pictures and try to persuade your reader to visit that city!

Half Term Project

Our Science last half term was based around space. We know how much the children enjoyed this topic, so for the half termly project we would like you to create a model of the planets in order.

This can be made, painted, sketched, 3D, drawn or baked. Please hand this in by the week beginning the **8th December 2025**. We look forward to seeing your creations!

Have a lovely weekend!

Mrs Middleton and Miss Mac ☺
