

Foundation Stage Newsletter

Our Learning

We have been:

- Sorting objects in a variety of ways e.g. shape, colour, properties
- Counting up to and beyond 10
- Sharing our 'Moment from home' sheets
- Learning about rhyming words e.g. cat & bat, dog & frog
- Learning about Remembrance Day
- Using the apparatus in PE
- Anti-Bullying Week and friendship
- Practising our blending
- Practising forming our letters correctly
- Tricky word, 'no' and 'go'
- Body percussion

News

Parent Consultation forms

Your child will have come home from school yesterday with their parent consultation form. Please have a read of this prior to your appointment next week Monday 17th or Wednesday 19th November, where we will discuss the form and any questions you have. Thank you.

Coats

Please ensure your child comes to school with a jacket as the weather gets colder. Thank you.

Xmas Project!

On Tuesday, your child came home with their painted Christmas artwork for our school Xmas Project this year. Their artwork can be transformed into mugs, tea two towels, keyrings or even tote bags! Parents have the opportunity to buy items with their child's design on them. Please fill in your details on the back of the form and return the form by **Monday 17th November**. Thank you!

Nativity!

We are very excited to be able to perform our Nativity play to parents this year. Our performance will be on Friday 12th December at 2:15pm. Today, your child has been given their part in the Nativity play and the letter for the clothes they need to wear underneath their costume. Please **DO NOT** buy your child a costume as we have costumes for everyone already! We just need you to provide the clothes stated. If your child has been given lines to learn, please help them to practise these at home. Thank you for your support.

We marked Remembrance Day. We made class wreaths to remember our Armed forces.

Homework

- Practise writing your name
- Daily reading
- Practise your sounds and names of letters in phonics pack and new tricky word **no** and **go**
- Practise blending sounds together – e.g. r-a-t (rat), d-o-t (dot), g-a-p (gap). Use your flashcards to make small words to blend.
- Look for rhyming words in books/songs
- Can you sort any objects in your house?

Thank you

Miss Osejindu, Mrs Martin and Mrs Marino
