

Year 5

Year 5 Homework Sheet

Monday 1st December 2025 - Friday 5th December 2025

Reminders

PE kits to be worn on **Wednesdays** and **Fridays**.

5HM have their last swimming lesson on Wednesday 10th December.

Reading

Please ensure your child reads at least 3 times a week and that this is recorded in their reading record. **Reading records** must be handed in on **Thursday**.

Spellings

There will be no new spellings for the rest of the term. Children should continue to learn the year 5/6 spellings. There will be a spelling test next week on a selection of this term's words so remind yourself of the rules we have studied this term.

English: This week, we have finished our final piece of writing about The Promise. We retold the story about how the thief made a promise to change the world.

Challenge: Write about a time you have made a promise to someone and it had a positive impact.

Maths: In Maths this week, we have been working on fractions, including converting improper fractions to mixed number fractions and vice versa.

Challenge: Convert these improper fractions to mixed numbers.

$\frac{9}{8} =$	$\frac{10}{4} =$
$\frac{38}{12} =$	$\frac{32}{10} =$
$\frac{20}{6} =$	$\frac{26}{10} =$
$\frac{9}{5} =$	$\frac{21}{10} =$

Foundation Subject

Science: This week, we continued studying forces. Sir Isaac Newton thought a great deal about the forces acting on objects around us.

Can you write a fact file about him and some of his amazing work?

Half Term Project

Our Science last half term was based around space. We know how much the children enjoyed this topic, so for the half termly project we would like you to create a model of the planets in order.

This can be made, painted, sketched, 3D, drawn or baked. Please hand this in by the week beginning the **8th December 2025**. We look forward to seeing your creations!

Have a lovely weekend!

Mrs Middleton and Miss Mac ☺
