Notices/ Reminders:

As the weather has turned so much colder, children are bringing in scarves and gloves.

Could these items please be named so they can be returned to their rightful owners.

Word of the week: This week's word of the week is **Abstract**. (It's when an artist uses colours, shapes, and lines to create a picture that does not look like real life)

English

In English this week, we have been reading two versions of the story 'Rapunzel'.

Can you describe the witch using an expanded noun phrase?

For example: 'The witch wears a long, black cloak.'

Maths

In Maths, we have been continuing to look at multiplication. We have looked at the different language associated with multiplication.

5 times 6 is _____ 10 multiplied by 3 is _____ The product of 7 and 2 is _____

3 groups of 5 is _____ 4 multiplied by 10 is _____ The product of 9 and 2 is _____

Half-termly project

This half term, our topic is **Land and Sea**.

We will be learning about the countries in the British Isles, the continents of the world and the seas and oceans of the world. We will look at the climate around, animals, weather and landmarks associated with different countries and continents.

Choose a country and carry out research about it. Find out what the climate is like, which animals are commonly associated with that country, a famous landmark (natural or man-made) and any other interesting facts.

You can present this as a poster, an information leaflet or non-fiction book.
