Spelling practice space if needed

English: We have continued working on the book, 'Stone Girl, Bone Girl'. We have discussed different features that we are going to include in our biography about Mary Anning. Some of the features we have looked at include adverbials and relative clauses.

Challenge: Can you edit and improve these sentences using the skills we have learned in our lessons?

- **Mary Anning was a fossil collector.**
- **After a few years she searched for fossils with her father.**
- **She met other fossil collectors that liked her findings.**

Maths: This week we have been solving word problems using addition, subtraction multiplication and division. One strategy we used was working backwards.

Challenge: Try to find the answer to these 'think of a number; problems by working backwards.

I think of a number, double it and subtract 3. The answer is 13. What is my number?

I think of a number, halve it and add 4. The answer is 14. What is my number?

I think of a number, double it and subtract 6. The answer is 24. What is my number?

I think of a number, halve it and add 7. The answer is 17. What is my number?

Foundation Subject

Science and Computing: This week, we have been researching the first black female astronaut, Mae Jemison, and creating a presentation and webpage about her.

Challenge: Tell an adult at home, 3 fact about Mae Jemison.

Half Term Project

Our Science this half term is based around jobs involving STEM. Choose a famous scientist (either from the past or present day) and create your own information about their work. You can present your work as a poster, a book, a model or however you wish. This work is due in by 9th February 2026. We can't wait to see what you produce!

Diary Dates

22nd January: Lego Workshop in school (Pay on School Gateway)

9th February: Ancient Greek Day in school (Pay on School Gateway – Parent Helpers required)

Have a lovely weekend!

Mrs Middleton and Miss Mac ☺
