

# Homework Sheet

Monday 19<sup>th</sup> January - Friday 23<sup>rd</sup> February 2026

## Reading - Books will be sent home from next week.

Please ensure your child reads at least **3 times a week** for at least **15 minutes** and that this is recorded in their reading record. **Reading records** must be handed in on **Friday** and new books will be sent home on **Friday**. Your child will be sent home with a levelled reading book and a book of their choice in order to promote a love of reading.

## Spellings

### Group 1 -

table	title
circle	apple
eagle	ankle
waffle	poodle
castle	dazzle

### Miss Dizenzo's and Miss Dursen's

#### Group -

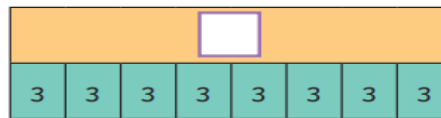

Plant	prove
Path	improve
Hour	sure

## Times Tables

This week we would like you to complete these 3 times table's challenges. You can also use Times Table Rockstars.

Complete the bar model.

Complete these calculations.

?  $3 \times 9 = \square$   $0 \times 3 = \square$  ?

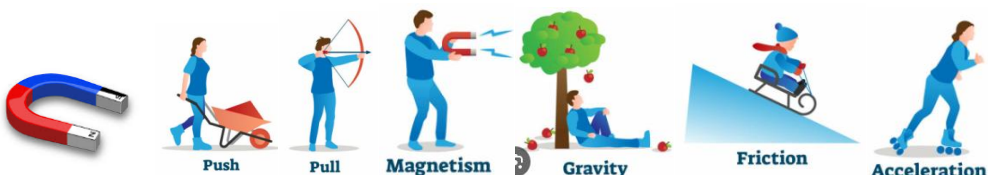

$36 \div \square = 12$   $3 = \square \div 2$

Circle the numbers that are **not** multiples of 3.

60                      11                      21  
6    4  
23                      15

## Spring 1 - Half-Term Project

In Science we have been learning about forces and magnets. For your half term project, find ten examples of forces in action around your home e.g. pulling the curtains. Design a poster, power point or diagram to present your forces to the class.

## This Week's Learning

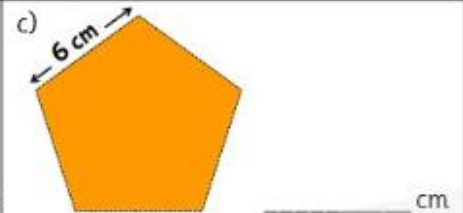

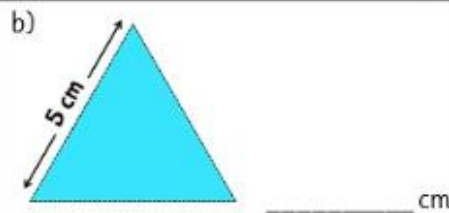

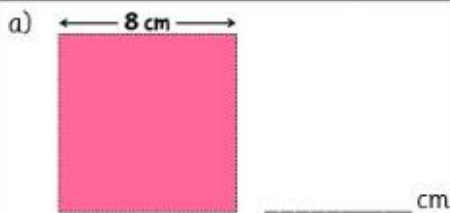

### English

In English this week, we have been describing different settings for a story. For your homework, pick a setting from any story or movie and describe it using the success criteria from our lessons.

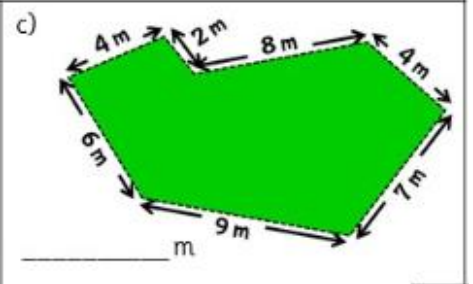

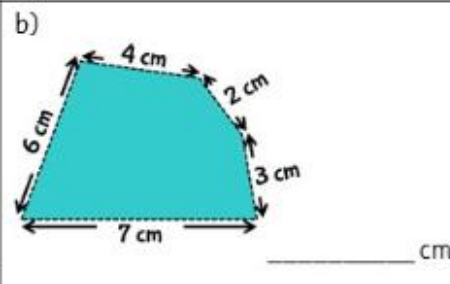

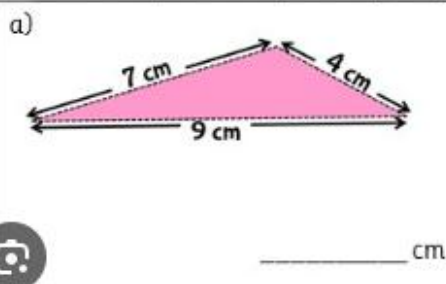

HAVE I...?	Tick
Started my sentences with a capital letter and ended with a full stop?	
Written in the past tense?	
Used co-ordinating conjunctions? - and, but, so	
Used subordinating conjunctions? - because, when, while	
Used prepositions of place?	
Used expanded noun phrases?	
Used adverbs to give more information about a verb?	

### Maths

1. Find the perimeter of the regular polygons. Remember that all sides of a regular polygon are equal.

3. Find the perimeter of the irregular polygons.

**Topic** - Our Geography topic for this half term is all about the UK and the counties. We would love for you to pick a county and create a poster about it. Can you include the size, population, any interesting landmarks and any exciting facts.

All the best, The Year 3 Team
