

Homework Sheet

Monday 23rd February - Friday 27th February 2026

Reading - Books will be sent home from next week.

Please ensure your child reads at least **3 times a week** for at least **15 minutes** and that this is recorded in their reading record. **Reading records** must be handed in on **Friday** and new books will be sent home on **Friday**. Your child will be sent home with a levelled reading book and a book of their choice in order to promote a love of reading.

Spellings

Group 1

wasn't didn't
shouldn't you're
wouldn't they're
won't haven't
couldn't can't

Miss Dizenzo's group:

they were there where little
friend pull full

Miss Dursun's group:

Tie pie flies cried tied dried
friend people

Times Tables

This week we would like you to complete these 4 times table's challenges. You can also use Times Table Rockstars.

Complete the facts about this array.

$$6 \times \square = 24$$

$$4 \times \square = 24$$

$$\square \div 6 = 4$$

$$24 \div 4 = \square$$

Use a stopwatch to time yourself.

How quickly can you write out your 4 x table like this

$$1 \times 4 = 4$$

$$2 \times 4 = 8$$

$$3 \times 4 = ?$$

$$4 \times 4 = ?$$

Up to 12×4 .

Find the incorrect number in these sequences.

a) 4, 8, 12, 14, 20, 24, 28, 32.

Spring 2 - Half-Term Project

Our science topic for this half term is Animals Including Humans. For your project, we would like you to make a skeleton. This can be made out of pasta, straws, card with split pins or just a drawing!

This Week's Learning

English

This week we have begun the story Jabari Jumps. We discussed the book as a class and talked about the things that we are afraid of.

Challenge:

Write a description of a time you were afraid of doing something that was a little scary.

How did you feel before you did the task? _____

How did you feel when you had done the thing you were scared of? _____

Were you proud of your achievements or is it something that you didn't enjoy and you would never do again?

Maths

This week in maths we have been learning all about how to solve worded maths problems that involve money and multiplication operations.

1. Lucy has 3 packs of stickers. Each pack costs 20p. How much do 3 packs of stickers cost together?

20p	20p	20p

2. Sam buys 4 toy cars. Each toy car costs £40p. How much money does Sam spend in total?

40p	40p	40p	40p

All the best, The Year 3 Team.
