

# YEAR 1 Newsletter and Homework Sheet

Friday 15th May

## NOTICES

Year 1 have joined the **CHEXS Grow Club competition**. Over the next 6 weeks, we will grow radishes, carrots, beetroot, turnips and herbs. On the **4<sup>th</sup> July**, CHEXS will be awarding schools who have taken part with certificates and trophies for best produce! Year 1 children are invited to be there on the day to collect a certificate or two (we hope!). More details on location and times from CHEXS to follow soon but save the date for now 😊

## Topic Talk:

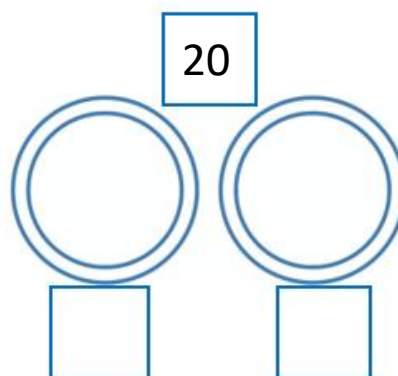

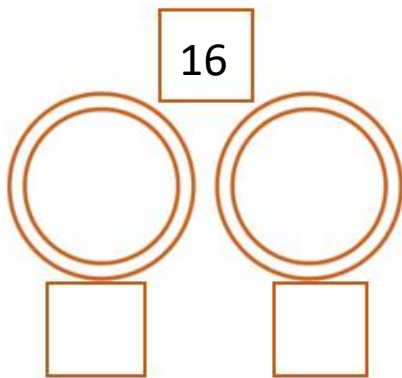

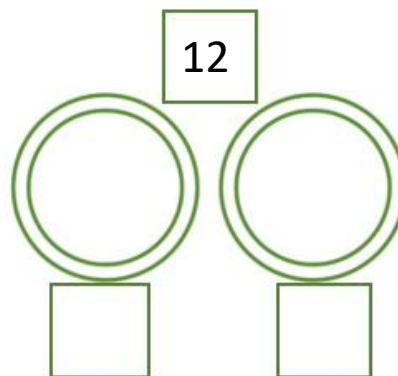

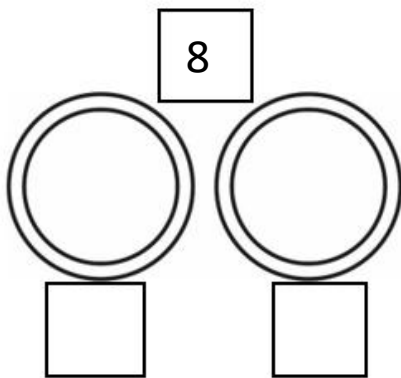

**Theme:** Transport

**Keywords:** change, safe, comfortable

**Key questions:** If you could change transport for the future, what would you change? What do transport would you like to see?

**Maths** In Maths this week, we started our multiplication and division unit. We shared into equal groups and into unequal groups. We noticed that even numbers can be shared into 2 equal groups but and when sharing odd numbers into 2 equal groups, there is a remainder (left over).

**Task:** Share them equally between the 2 plates. How many does each plate get? Use can use counters like beans/pasta or draw your counters to help you.

**Thank you for all the lovely projects that have come in this half-term!**
