## Charity Week

Each year group decides upon a charity to support and an action or event in which to participate in, to raise money. This year, Reception are supporting Happy Days Children's Charity, a local charity who aid individuals, families and groups who support children with a wide range of additional needs. In Reception this year, there is an exciting opportunity for the children to raise money for vulnerable children in need in their local Hertfordshire community. On the week beginning the 6th July 2026, we kindly ask for a donation of £2 or more on the School Gateway app towards the wonderful work that the charity does. Thank you!
