Times Tables

Summer 2 - Half-Term Project

This Half Term we will be learning about being a scientist and investigating scientists such as Mary Anning and Samuel Morse.

Can you investigate a scientist of your choice and tell us all about them and they inspire you?

You can create a fact file, poster or even a PowerPoint presentation about your chosen scientist.

This Week's Learning

English:

In English we have started a new book called 'Atlas of Adventures'. We travelled to the village of Kakslauttanen in Finland and practised using amazing adjectives to describe the surroundings. We have also been using the thesaurus to up level our work and search for more interesting synonyms for ordinary adjectives.

Weekly challenge:

Try and find 3 synonyms for each of the following words and write them in the boxes.

hot			
cold			
sad			
happy			
angry			

Maths:

In maths this week we have looked at column addition and subtraction with regrouping.

Challenge: Work out the answers to these reasoning questions.

- a) A primary school has 435 pupils. A secondary school has 78 more pupils than the primary school. How many children go to the secondary school?

There are _____ pupils in the secondary school.

- b) Spot the mistake and write the correct answer.

	6	5	8																
+		6	6																
	7	1	4																
	1																		

Explain your answer.

All the best from the Year 3 Team
