

Homework Sheet

Friday 4th September 2026

Welcome back!

We hope you had a fantastic summer and we're looking forward to this academic year 😊

Spellings

This week, we are practising some of the Year 3/4 statutory spelling words. These are important words that children should learn to spell accurately and use confidently in their writing. Remember to look carefully at the tricky parts of each word and practise them regularly.

Reading

Please ensure your child reads at least 3 times a week and that this is recorded in their reading record. **Reading records** have been given out and will usually be checked on a **Tuesday in 6AB** and **Wednesday in 6AP**.

Half Term Creative Project

This half term we are learning about World War 2 in History. Here are a couple of ideas for your half termly project: Idea 1 – Create a PowerPoint or poster about an aspect of life in WWII that interests you e.g. evacuation, life in the army, rationing, women's role in the war, Anne Frank. Idea 2 – Make an artefact from WWII – This could be a medal, model plane or tank, gas mask box, identity card, rationing book, a diary of an evacuee, a model air raid shelter.

This Week's Learning

English

This week, we have started our new Planetarium topic and have been learning what makes a sentence. A sentence needs to make complete sense and must contain a main clause with a subject and a verb.

Weekly task: Can you identify which sentences are complete sentences and which ones need improving? Put a tick or a cross next to it.

Challenge – Can you explain why it is/isn't a sentence?

1. The enormous planet.
2. The spaceship travelled through space.
3. Shining brightly in the night sky.
4. The astronauts explored the strange planet.
5. Because the planet was extremely hot.
6. Mars has a rocky surface.

Maths

This week, we are beginning to learn about place value. The position of a digit tells us what it is worth.

Look at each number and write the digit that is in the ones, tens and hundreds place.

Number	Hundreds	Tens	Ones
245			
361			
528			
714
