

YEAR 1 Homework Sheet

Friday 11th September

Welcome to Year 1. This homework sheet will be sent out every Friday. On the front page you will find notices, information about reading, weekly spellings and a small phonics activity. On the back page, there will be additional information about what we have been learning in English and Maths that week and a half-termly project linked to our topic. Please bring the homework sheet back the following week (by Thursday) so your child can receive a star for completing their activities (starting next week).

Thank you 😊

Mrs Lovelock and Miss Atakora
