Topic Talk:

Theme: History - Toys

Keywords: toy, favourite, modern and lifetime

Key questions: What is your favourite toy? What toys do you like playing with at home? Can you list/draw some toys you have played with in your lifetime? Are they old toys or modern toys?

MATHS

In Maths this week, we have been representing numbers to 10 using objects. We rearrange them to make a familiar pattern and showed our number in 3 different ways on the tens frame. This helped us subitise our number.

Task: Show 7 in 3 different ways on the tens frame.

Half termly project

We are learning about toys on the past. We would like you to find out about what sort of toys your grandparents or parents played with as children. We would love you to make a picture or poster of toys used in the past and present it in a creative way! (You could ask your grandparents, parents or another member of your family.)

Please return by Friday 16th October

Happy researching! ☺
