

Homework Sheet

Friday 25th September 2026

Reading

Please ensure your child reads at least 3 times a week and that this is recorded in their reading record. **Reading records** have been given out and will usually be checked on a **Tuesday in 6AB** and **Wednesday in 6AP**.

Spellings

This week's spellings all end in the vowel suffixes: -ing, -ed, -y, -er and -est. We have looked at how adding a suffix changes the root word.

When we add a vowel suffix to a root word, the spelling sometimes changes.

Here are some examples:

sleep - sleepy - sleepier - sleepest
fun - funny - funnier - funniest
dance - dancing - danced
reply - replying - replied
fit - fitting - fitted

Arithmetic practice

This week we would like you to practise questions using all four operations.

$$6 + 62 = 68$$

$$\frac{7}{20} + \frac{76}{20} = 4 \frac{3}{20} \text{ or } 83/20$$

$$42 \div 7 = 6$$

$$1 \times 56 = 56$$

$$42 \times 2 = 84$$

$$0^2 + 1 = 1$$

$$44 - 40 = 4$$

$$\frac{1}{2} \text{ of } 60 = 30$$

$$12 \times 9 = 108$$

$$1000 - 5 = 995$$

Half Term Creative Project

This half term we are learning about World War 2 in History. Here are a couple of ideas for your half termly project: Idea 1 – Create a PowerPoint or poster about an aspect of life in WWII that interests you e.g. evacuation, life in the army, rationing, women's role in the war, Anne Frank. Idea 2 – Make an artefact from WWII – This could be a medal, model plane or tank, gas mask box, identity card, rationing book, a diary of an evacuee, a model air raid shelter.

Word of the Week

intriguing

Write a sentence using the word intriguing.

This Week's Learning

English

This week, we have been reading more headings from the book 'Planetarium' and we have started to plan and write our own non-chronological report. The children have learnt to write multi-clause sentences using conjunctions and commas for clarity.

Weekly task: Next week the children will be continuing their non-chronological report on a new planet that has just been discovered. Write some sentences using expanded noun phrases that would be useful in your writing e.g thick, unbroken cloud-cover (adjective, adjective noun)

Maths

This week, we have been looking at how the place value of digits change when they are multiplied and divided by 10, 100 and 1000. It's important to remember that the digits move place value spaces, NOT the decimal point.

Weekly task: What have I done wrong? Explain your answers.

$$345 \div 100 = 34.5$$

$$0.2 \times 10 = 200$$

Foundation Subject

This week, we have started our Computing topic on Scratch. We have linked this to our WW2 topic, and we will be creating an animation of a soldier. We have designed our soldier and the background and next week, we will be coding it to show different scenes.

Have a great
Weekend!
