Reading

Reading Reminders Please ensure your child reads at least 3 times a week and that this is recorded in their reading record. Reading records will be checked weekly

Reading records must be in school **every day**. Books will be changed throughout the week - you will get to know which day your child's book change is.

Notices/ Reminders:

Please bring in a water bottle every day.

Please name all jumpers and fleeces.

Could you also ensure that children are not riding scooters and bikes on school grounds. This is for the safety of all the adults and children around the school.

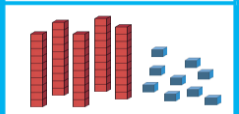

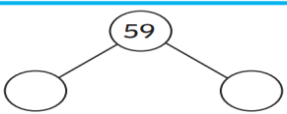

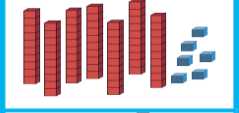

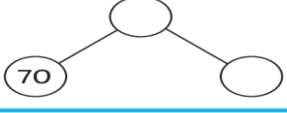

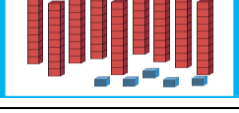

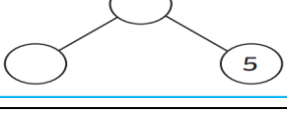

English

In English next week, we will be reading the book, 'How to Make Friends with a Ghost'. In preparation for the book, we would like the children to look after their own ghost. Their ghost will come home in the form of a balloon so they will need to take lots of care.

Challenge: Can you....

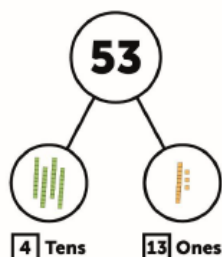

- Keep your ghost alive the whole week?
- Read to your ghost?
- Involve your ghost in your games?

Maths: This week we have been looking at the value of each digit in a 2-digit number.

			There are ____ tens. There are ____ ones
			There are ____ tens. There are ____ ones
			There are ____ tens. There are ____ ones

We also looked at regrouping 2-digit numbers in different ways.

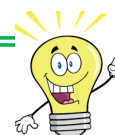

How many ways can you regroup 35?

53 = 4 tens + 13 ones
 $40 + 13 = 53$
The total of 40 and 13 is 53.

Half Term Project:

This half term, our topic is **Mapping Cheshunt!**

We will be learning about the local area, mapping out the local area and using directional language to compare two locations.

Can you find out any interesting facts about Cheshunt? Do we have any famous landmarks? Have any famous people been born in Cheshunt? Can you find out about Cheshunt's past?

You could present this as a poster or information page/ booklet. You may want to give a presentation to the class!
