Homework Sheet

Friday 9th October 2026

Reading

Please ensure your child reads at least 3 times a week and that this is recorded in their reading record. **Reading records** have been given out and will usually be checked on a **Tuesday in 6AB** and **Wednesday in 6AP**.

Spellings

Next week, we will be completing practise SATs tests. A spelling test forms part of the grammar test. It includes 20 words which are put into sentences. The children are required to just write the spelling word.

There are no set spellings to learn but we are providing you with the Y3/4 and Y5/6 spelling list to practise this week.

Arithmetic practice

This week we would like you to practise questions using all four operations.

100 - 5 =

x 12 = 48

3/6 + 2/6 =

50% of 280 =

430 ÷ 10 =

¼ of 60 =

80 x 4 =

687 + 710 =

48 ÷ 2 =

302 – 64 =

Half Term Creative Project

This half term we are learning about World War 2 in History. Here are a couple of ideas for your half termly project: Idea 1 – Create a PowerPoint or poster about an aspect of life in WWII that interests you e.g. evacuation, life in the army, rationing, women's role in the war, Anne Frank. Idea 2 – Make an artefact from WWII – This could be a medal, model plane or tank, gas mask box, identity card, rationing book, a diary of an evacuee, a model air raid shelter.

Word of the Week

grotesque

Write a sentence using the word grotesque.

_____

_____

_____

_____

_____

This Week's Learning

English

This week, we have continued our unit based on the story 'Night of the Gargoyles'. The children have looked at cohesive devices and writing dialogue.

Weekly task: Write a conversation between the 2 characters in your story. For example: "The ghastly gargoyles are chasing me!" exclaimed the watchman, with terror in his eyes.

_____

_____

_____

_____

_____

_____

Maths

In Maths this week, the children have been developing their skills on division with remainders.

Weekly Challenge: Complete these calculations.

$7\overline{)748}$ $2\overline{)269}$ $8\overline{)923}$

Foundation Subject

This week, we started our new Science topic – Electricity. The children have been busy making circuits with bulbs and learning to recognise the components as symbols. They also tested a range of materials to find out which were conductors, and which were insulators.
