Spelling test on Wednesday 11th November

Times Tables

Practise the division facts for the 3 and 6 times tables. What pattern do you notice?

30 ÷ 3 =

24 ÷ 6 =

42 ÷ 6 =

12 ÷ 3 =

36 ÷ 6 =

54 ÷ 6 =

36 ÷ 3 =

15 ÷3 =

72 ÷ 6 =

30 ÷ 6 =

Spelling practice space:

Half Term Project

Our History topic this half term is The Anglo-Saxons. We would like you to create an **Anglo-Saxon house**. This could be a drawing, a painting, or you could even build it. Please return these to school by **Monday 7th December**.

Year 4

English

In English this week, we started our new text 'Starbird'. We have summarised the story, discussed all the descriptive language in the text and written character descriptions of Starbird, the Moon King and the princess using pro nouns and conjunctions.

Challenge: Imagine you are Starbird and you have eventually been set free.

Write a paragraph describing where you go. Can you use adjectives to describe and conjunctions to extend your ideas?

_____

_____

_____

_____

_____

_____

_____

Maths

In maths this week we have been multiplying by 10 and 100. We have been drawing a place value grid to help us, making sure we jump one or two place to the left depending on what we are multiplying by.

Challenge: Complete these calculations below: Draw a place value grid to help if you need to!

a) 14x 10 = b) 27x100= c) 100 x 3.9= d) 10 x 0.52=

e) __ = 63 x 100 f) 0.43x100=

Extra Challenge: Are these calculations correct? If not, explain why.

a)	b)
0.5 × 10 = 5	5.6 × 100 = 56

Foundation Subject:

In History this week, we have started learning about the Anglo Saxons. We have looked at why they invaded Britain and where they came from.

Have a lovely weekend,

Year 4 team.
