# Homework Sheet

*Friday 13th November 2026*

## Reading

Please ensure your child reads at least 3 times a week and that this is recorded in their reading record. **Reading records** have been given out and will usually be checked on a **Tuesday in 6AB** and **Wednesday in 6AP**.

## Spellings

This week's spellings are based on the -tious –cious suffixes.

The rule:

-cious is used when the root word ends in –ce.

E.g. grace → gracious

-tious is used when the root word ends in 't' or can have 'tion' as a suffix.

E.g. infect → infectious

Fiction → fictious

Exceptions

Anxious, nauseous

## Arithmetic practice

This week we would like you to practise questions using long multiplication.

1. 438 x 45 =
2. 692 x 63 =
3. 903 x 28 =

## Half Term Creative Project

This half term we are learning about Living things and their habitats in Science. We would like you to research your favourite animal to find out what habitat they live in. Do they live somewhere hot? Is it dry? What other interesting facts can you find out? You can present this as an information booklet, model of their environment, fact file or any other creative way.

We can't wait to see what you research!

## Word of the Week

# tyranny

Write a sentence using the word tyranny.

_____

_____

_____

# This Week's Learning

## English

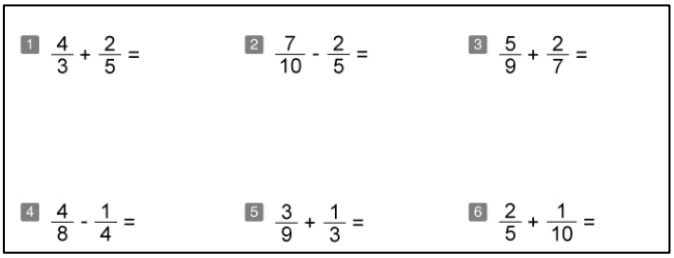

This week, we have continued with our unit on 'The Wisp.' We have looked at using the power of three, commas for clarity and varying our sentence structure.

**Weekly task:** Underline the subordinate clause in each sentence and add commas for clarity where necessary.

1. Idris watched the Wisp drift towards him as his heart thudded with excitement.
2. When the Wisp glowed brighter the shadows around the tent walls seemed to dance.
3. As the night grew colder Idris wrapped his arms tightly around himself.
4. Because Idris had no memories of before he wondered what the Wisp would show him.
5. The camp lay silent while the Wisp floated gently through the darkness.

## Maths

This week, we have continued working with fractions. We have compared and ordered fractions. We have also added and subtracted fractions. We need to remember that when the denominator is different, we have to make them the same by finding equivalent fractions.

## Foundation subjects

This week, we have finished our art topic of 'Poppy Fields' by painting our own artwork that consists of poppies. We also had our D+T workshop, which we thoroughly enjoyed. It focussed on mechanical cam systems! Look on the Year 6 page on our website to see some of our work.
