9 x 4 =36

10 x 4 =40

11 x 4 =44

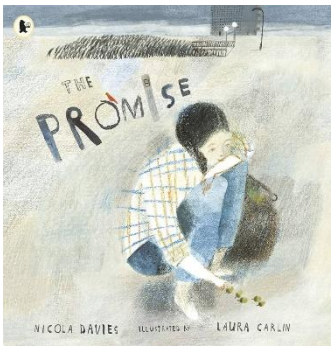

12 x 4 = 48

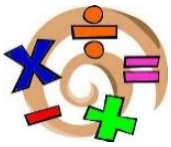

Spelling practice space if needed

English: This week, we have started looking at our new book, 'The Promise'. This is a book about a girl who steals a bag of acorns and promises to plant them.

Challenge: Retell your favourite part of the story in one short paragraph adding your own ideas and description.

Maths: In Maths this week, we have begun to investigate short multiplication. Keep practising your times tables by using times table rock stars or hit the button.

Challenge:

1) 32 x 3

2) 25 x 2

3) 13 x 4

4) 16 x 4

5) 25 x 3

6) 23 x 2

Foundation Subject

Geography: This week, we have been looking at South America! We have been looking at two cities in South America, Buenos Aires and Lima. We have created our own reports about them.

Challenge: Your challenge is to make a travel brochure on your favourite South American city. Make sure to add pictures and try to persuade your reader to visit that city!

Half Term Project

Our Science last half term was based around space. We know how much the children enjoyed this topic, so for the half termly project we would like you to create a model of the planets in order. This can be made, painted, sketched, 3D, drawn or baked. Please hand this in by the week beginning the **14th December 2026**. We look forward to seeing your creations!

Have a lovely weekend!

Miss Cantwell and Mrs Homewood ☺
