Science: This week, we have begun to look at forces. We have looked at contact and non-contact forces such as air resistance, friction, gravity, magnetism and buoyancy.

Challenge: Can you make a poster showing the forces in real life situations such as the brakes of a bike, slowing down your speed?

Half Term Project

Our Science last half term was based around space. We know how much the children enjoyed this topic, so for the half termly project we would like you to create a model of the planets in order. This can be made, painted, sketched, 3D, drawn or baked. Please hand this in by the week beginning the **14th December 2026**. We look forward to seeing your creations!

Have a lovely weekend!

Miss Cantwell and Mrs Homewood ☺
